

Roxell E-Z START® Chick Feeders

The E-Z START® Chick Feeder from Roxell gets birds off to a good start and helps make new flock work easier. The feeder's outlet drop is available with an optional telescoping drop tube.

1

Outlet drop tube swings and locks under feeder line with built-in feed shut-off.

Roxell's E-Z START® Feeder features all plastic construction with U.V. protection for durability and long-life. The feeder is easy to operate and to manage.

2

Telescoping drop allows feeder line height to be adjusted easily.

Adjustable drop offers management flexibility.
